

MASRI

INFRASTRUCTURE FOR SUSTAINABLE DEVELOPMENT OF MARINE RESEARCH INCLUDING THE PARTICIPATION OF BULGARIA IN THE EUROPEAN INFRASTRUCTURE EURO-ARGO

PRICE LIST

for the access of external users to the research infrastructure

№	Component	Service	Item	Price BGN	Remarks
1	RV "Akademik"	Research cruise in the Black Sea with base port Varna	Day	12 000	No other ports visit
2	RV "Akademik"	Mobilisation/Demobilisation of RV "Akademik"	Day	8 000	Fish port Asparuhovo
3	RV "Akademik"	Stendbay RV "Akademik"	Day	6 000	
4	Research Submersible PC-8B	Research cruise in the Black Sea with base port Varna	Day	4 000	Requires RV "Akademik"
5	Research Submersible PC-8B	Mobilisation/Demobilisation of PC-8B	Day	3 000	Requires RV "Akademik"
6	Research Submersible PC-8B	Stendbay PC-8B	Day	2 000	Requires RV "Akademik"
7	Underwater Cutting and Welding Laboratory	Manufacture of electrodes for underwater cutting of metals (materials)	Number	3	Minimum order 300
8	Underwater Cutting and Welding Laboratory	Technology for underwater repairs of dams, hydro-equipment, vessels	Number	1000-20000	Under negotiation
9	Underwater Cutting and Welding Laboratory	Training of divers to perform underwater welding technologies	Number	3 000	
10	Laboratory of Marine Biology and Ecology	Phytoplankton sampling	sample	5	Requires RV "Akademik" or other vessel
11	Laboratory of Marine Biology and Ecology	Chlorophyll a sampling	sample	15	Requires RV "Akademik" or other vessel
12	Laboratory of Marine Biology and Ecology	Zooplankton sampling	sample	30	Requires RV "Akademik" or other vessel
13	Laboratory of Marine Biology and Ecology	Macrozoobenthos sampling	sample	20	Requires RV "Akademik" or other vessel
14	Laboratory of Marine Biology and Ecology	Macrophyts sampling	sample	30	
15	Laboratory of Marine Biology and Ecology	Sea grass sampling	sample		
16	Laboratory of Marine Biology and Ecology	Sampling of ichthyology	sample		
17	Laboratory of Marine Biology and Ecology	Taxonomic analysis of phytoplankton under microscope	sample	130	
18	Laboratory of Marine Biology and Ecology	Chlorophyll a concentration	sample	20	
19	Laboratory of Marine Biology and Ecology	Taxonomic analysis of zooplankton under microscope	sample	80	
20	Laboratory of Marine Biology and Ecology	Taxonomic analysis of ichthioplankton under microscope	sample	60	
21	Laboratory of Marine Biology and Ecology	Taxonomic analysis of macrozoobenthos	sample	150	
22	Laboratory of Marine Biology and Ecology	Fish stomach diet identification	sample	60	
23	Laboratory of Marine Biology and Ecology	Taxonomic analysis of sea grass with preliminary sample's elaboration	sample	30	
24	Laboratory of Marine Biology and Ecology	Taxonomic analysis of sea grass and microscopic analysis with preliminary sample's elaboration	sample	70	
25	Laboratory of Marine Biology and Ecology	Taxonomic analysis of macrophyts	sample	40	
26	Laboratory of Marine Biology and Ecology	Scientific reports and analysis			will be additionally fixed depends of the task
